

# ☆☆☆ VOSB – SDVOSB MEET-UP ☆☆☆

---

---

Many veterans use the skills learned in the military to become successful business owners. As more than a million service men and women end their military careers over the next five years and transition back to civilian life, veteran business owners play a critical role in creating economic opportunities for the entire nation. Veteran owned businesses range from traditional government contract and supply to broad traditional main street businesses such as construction companies, attorneys, barbers, waste management, restaurants, sporting goods, and retail. No matter what industry you decide, we want to support you, the veteran small business owner, along the way.

We will meet at 4:30PM at The Innovation Center  
1636 Popp's Ferry Rd  
Biloxi, MS 39532
